## ABOUT CTRLLAB

Montreal Art House: CtrlLab Gallery is an art space with a residency program dedicated to disseminating the work of emerging and established artists. CtrlLab provides the Montreal arts community with a unique venue for new and innovative ideas that stimulate new dialogue and challenge audiences in a non traditional gallery setting.

CtrlLab is a supportive space for art, having established itself as a vibrant venue for video, photography, sculpture, multi media, painting, dance, and theatre. It is open to young artists and curators seeking to take control and present professional solo or group shows, and is also available as a rehearsal and performance space and can readily accommodate groups for fundraisers, launches, press releases, and private events.

### Location:

Our second floor space, conveniently located on St. Laurent Boulevard at Prince Arthur, allows for a unique and intimate environment for its guests and participants. Our open and non discriminatory policy for new exhibitions offers a range of great possibility to represent the exceptional diversity of the Montreal arts scene.
